BEARS (and other hungry animals, including marmots) are active in the backcountry. Backpackers should be prepared to protect their food (and all other items that emit odors) from such animals at all times!

WILDERNESS PERMITS are required for overnight travel all year long and for all visitors in the Mt Whitney zone, including day hikers. Trailhead quotas, which daily limit the number of hikers on trails, are no longer in effect for Eastern Sierra wilderness areas. Self-issue permits can be obtained in the night boxes at the following locations: InterAgency Visitor Center (Lone Pine), Bishop Ranger Station, Mammoth Lakes Welcome Center, Mono Basin Scenic Area Visitor Center (Lee Vining) and Bridgeport Ranger Station after office hours.
